*“A time for Peace and a time for War” quotes Netanyahu, on trial for corruption in Israel, as his IDF military has now killed 3200 children in Gaza, in just three weeks up to today, Monday 30 October 2023.*

These blood-soaked days will live in infamy, as very soon **Netanyahu’s men will have killed over 10,000 civilians of whom all were unarmed.**

It must take a lot of bravery for an IDF pilot in an F-35/-16 attack aircraft, to bomb to bits a hospital with all its patients on the basis that there were Hamas fighters therein.

These bombings by Israeli aircraft are demonstrably a crime against humanity – a war crime.

**Netanyahu must be indicted and brought before the ICC in The Hague**, as soon as possible. If no such action is taken, then others will emulate him, in future conflicts in London, Paris, New York or anywhere else.

All because the international community failed to prosecute those responsible for the blatant violation of international law and the provisions of the Geneva Conventions.

This is worse than in any conflict since WW2 including the current war in Ukraine.
