I. PRELIMINARY STATEMENT.

The City of New York has issued over 2,700 death certificates related to the attacks on the World Trade Center on 9/11.¹ In addition to the murder of over 2,000 innocent civilians, hundreds of First Responders were also murdered on 9/11 while selflessly attempting to save others.² Many more First Responders have died subsequent to 9/11 as a result of their exposure to toxic and corrosive air contaminants at Ground Zero while participating in heroic rescue and recovery work. This Petition presents evidence heretofore ignored by federal authorities that the World Trade Center (WTC) Twin Towers (WTC1 and WTC2) and WTC Building 7 (WTC7) collapsed on 9/11 due to the detonation of pre-planted explosives and/or incendiaries. This Petition is intended to renew the investigation into these murders, raise awareness, bring truth to light and hold everyone responsible to account.

Overwhelming evidence presented here demonstrates that pre-planted explosives and/or incendiaries – not just airplanes or fires – destroyed three steel-framed World Trade Center buildings that day in New York City and killed so many of these people. By law, the Department of Justice through the U.S. Attorney for the Southern District of New York must present this evidence to a grand jury. Justice for these victims requires nothing less and the soul of our nation commands it.

Pursuant to federal law, including the First Amendment to the United States Constitution and 18 U.S.C. § 3332(a), the Lawyers' Committee for 9/11 Inquiry, Inc. (Lawyers' Committee), a non-profit organization, and the additional signatories hereto which include some 9/11 family members and survivors, hereby petition the United States Attorney for the Southern District of New York and the United States Department of Justice ("DOJ") to present the facts and evidence stated herein and attached hereto to a special federal grand jury or, in the alternative that presentation to a special grand jury is not feasible, to a federal grand jury. The facts and evidence presented here and in the accompanying exhibits concern federal crimes committed within the Southern District of New York on September 11, 2001 (9/11), and in the months leading up to 9/11, related to the attacks on the World Trade Center (WTC).

This Petition is presented to the United States Department of Justice (DOJ) because the victims of 9/11, their families, the people of the City of New York, and our nation deserve that every crime related to the 9/11 attacks be investigated to the fullest, and that every person who was responsible face justice. The DOJ has a duty to present the information contained in this Petition to a special grand jury pursuant to federal statute. A special grand jury or, in the alternative, a grand jury, once convened, have the power and duty to investigate the facts and evidence presented herein, wherever the evidence may lead. This is the least that the people we lost that day deserve. The most worthy memorial we can provide for those who died on 9/11, and for those who died as a result of the events of 9/11, including many First Responders, is discovery and public disclosure of the full truth.
