Global Research, December 25, 2012

Dear Readers,

Whatever your background, belief, creed or position, Global Research wishes you a joyous holiday season. We hope the spirit of generosity, kindness and awareness will continue into the coming year and embrace all humanity as we work towards ending conflict and achieving sustainability.

We thank you for your ongoing support, and above else your commitment to the truth.

Our achievements and our existence are due entirely to your support.

“Global Research is an essential resource for keeping abreast of what is really going on in the world. The conventional media are myopic and limited in their reporting of the international scene. Global Research boldly reports the other side, the news the conventional media won’t touch. It gets three million page views a month, and half its readers are overseas, making it a key tool for networking globally.”

-Ellen Brown, attorney, president of the Public Banking Institute and author of “Web of Debt” ([See all articles by Ellen Brown](#))

To all our readers and contributors worldwide, we extend our appreciation and sincere wishes for peace.
