In December, Congress passed the 2012 National Defense Authorization Act (NDAA) authorizing the military to arrest and imprison civilians without charge or trial, based on suspicion alone.

On Wednesday at 10:00 a.m., the Senate Judiciary Committee will hold a hearing on the NDAA. This first-ever hearing on the NDAA indefinite detention provisions is an opportunity for US citizens to INSIST that this unconstitutional statute be repealed. Congress needs to hear from you.

Wednesday's hearing will be broadcast live on the Senate Judiciary Committee's website.
