Agenda ID2020 - is hardly mentioned by any media, let alone the mainstream. Agenda ID2020, if carried out, is the ultimate control by a small elite - of the One World Order (OWO), also called the New World Order (NWO) - over the world population. It is a mechanism that would allow controlling every movement of each one of the 7.9 billion people of planet earth, including everyone's health records, cash flows, bank accounts, as well as our behavior in this ultra-controlled society - which I refrain from calling civilization anymore.

Sounds crazy. Yes, but that's the plan. No conspiracy theory.

That is the absurd dream of a few multi-billionaires, including Bill Gates. And the tool for such a control is a universal covid vaccine. See this article for an overview of what might happen: [“The Corona Virus Covid-19 Pandemic: The Real Danger is Agenda ID2020”](#).

“What is the infamous ID2020? It's an electronic ID program that uses generalized vaccination as a platform for digital identity. ... The program harnesses existing birth registration and vaccination operations to provide newborns with a portable and persistent biometrically-linked digital identity.

Let [Dr. Vernon Coleman](#) describe in simple terms the mechanisms that mankind - you and me - might be confronted with, if the super power elite, the NWO has its way.
