Below is an excerpt from CTV News:

A spokesperson for Alberta Health says that as of Aug. 31, all old-strain COVID-19 vaccines are no longer available, but neither is the new formula.

“To assist with the implementation of the newest COVID-19 vaccine formulation (KP.2) for the fall, the provinces and territories were directed by Health Canada to remove and destroy all current COVID-19 vaccine formulation(XBB) from all sites across their jurisdictions on August 31, 2024,” an Alberta Health statement said Wednesday.

Officials told CTV News the decision to withdraw the XBB COVID-19 vaccine was delivered by the Public Health Agency of Canada (PHAC) during a July 25 meeting .

Health Canada says their directive to provinces is that the swap should have happened so there is uninterrupted access to vaccines.

“The withdrawal of currently available COVID-19 XBB vaccines should be timed to align with authorization decisions of the new formulation vaccines to ensure Canadians have uninterrupted access to COVID-19 vaccines,” a Health Canada statement said.

The agency says it is reviewing submissions from Pfizer, Moderna and Novavax for updated COVID-19 vaccines on an expedited basis.

There is no timeline on when the new vaccines will be rolled out here.

My Take...

They are destroying all COVID-19 mRNA Vaccine vials so they cannot be tested for DNA contamination (or other types of contamination).

The COVID-19 Vaccines are themselves evidence of a crime, and destroying evidence is a violation of the Criminal Code of Canada.

If Alberta Health is involved in destroying these vaccines, then is the Alberta Minister of

Health committing a violation of the Criminal Code and can she be arrested for it? Food for thought.

There is another point I'd like to make. Once the evidence of the contents of all COVID-19 Vaccine vials is eliminated, it is then possible to proceed with a plan to blame all COVID-19 mRNA Vaccine injuries on something else, something new. Perhaps a new pathogen. Something that may even be accompanied by lockdowns in the near term.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated

to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. -Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that "there is no causal relationship between the virus and economic variables." In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
