These kids' young minds have obviously been treated to a steady diet of World Star Hip Hop videos — the cornerstone of any nutritious upbringing.

The unfortunate conclusion the viewer is forced to draw is that this is going to influence their future.

And it's not their fault.

This is the culture of "gun violence and money" they were born into, and basic sociology firmly establishes that the manner in which a child is socialized at the familial and community level early on has an influence, in no small measure, on how they relate to, and interact with, broader society later on in life.
