

Global Research: An Important Message to Our Readers

By [The Global Research Team](#)

Global Research, November 27, 2018

Dear Readers,

Our mandate has always been to provide our content free of charge. We want the truth to be spread far and wide and easily accessible to all. Our financial reality is another matter. To put it rather bluntly, without [your assistance](#), Global Research's future remains uncertain.

We've checked the figures and something doesn't seem to add up. With almost 1 million monthly visits to our website, and just under 50,000 subscribers to our daily newsletter, over the past year we have received just 700 contributions in the form of donations and paying memberships. We are of course deeply grateful to all those who have come to our aid so far. However, if you value our work and have yet to do so, we strongly encourage you to [make a contribution](#) as financial support is crucial to the continuation of our activities at this stage. At the moment we do not cover our monthly costs.

We are doing everything in our power to remain on course, and with your [help](#), we truly believe we can weather the storm. Please give what you can by clicking the [donate](#) or [membership](#) links below:
