

How to Confront Censorship: A Message to Our Readers

By [The Global Research Team](#)

Global Research, March 24, 2022

To our readers,

We'd like to extend our gratitude for your continued support in these challenging times.

As you may all know, Global Research has been unduly censored by the search engines, et al, not to mention the recurrent smears by the "fact checkers" and mainstream media platforms. Nonetheless, we still manage to engage a sizeable Worldwide readership on a daily basis.

As it is our shared interest to pursue the truth for peace and justice, we would like to appeal to you to **employ every creative and effective means** to sustain our *online presence*.

- Crossposting Global Research articles on your blog sites,
- Forwarding articles to emails lists,
- Posting on social media,
- Bringing the Globalresearch.ca Newsletter to the attention of friends and colleagues,
- And more

We need every help we can get so take the liberty to cascade our daily publications in **your own ways**.

Moreover, we have just recently built new accounts on [Facebook](#), [Twitter](#) and [Instagram](#). Please feel free to follow and share.

We see all your efforts and we appreciate every bit of them!
