A shadowy Army unit secretly spied on British citizens who criticised the Government’s Covid [lockdown](#) policies, The Mail on Sunday can reveal.

Military operatives in the UK’s ‘information warfare’ brigade were part of a sinister operation that targeted politicians and high-profile journalists who raised doubts about the official pandemic response.

They compiled dossiers on public figures such as ex-Minister David Davis, who questioned the modelling behind alarming death toll predictions, as well as journalists such as Peter Hitchens and Toby Young. Their dissenting views were then reported back to No 10.

Documents obtained by the civil liberties group Big Brother Watch, and shared exclusively with this newspaper, exposed the work of Government cells such as the Counter Disinformation Unit, based in the Department for Digital, Culture, Media and Sport, and the Rapid Response Unit in the Cabinet Office.

But the most secretive is the MoD’s 77th Brigade, which deploys ‘non-lethal engagement and legitimate non-military levers as a means to adapt behaviours of adversaries’.

According to a whistleblower who worked for the brigade during the lockdowns, the unit strayed far beyond its remit of targeting foreign powers.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
