This is one of several reports of vaccinated athletes developing serious health problems.

Below the article and compilation by **Dr. Marc Trozzi**

What is worth noting is that none of the media reports regarding the athletes have raised the issue of the vaccine.

For our well-informed reader who knows that the [Covid-19 experimental biologics are not safe](#), it's no surprise that many people have died or suffered life altering damages after being coerced into being injected.

The casualties and loss of life are nothing short of a nightmarish tragedy.

Sadly, athletes who have received the injection are not spared either. Here is a list of some of the young athletes who have died or been hospitalized after being "vaccinated".
