*Thanks to a Whistleblower that came forth to **Attorney Thomas Renz**, the public is now seeing, for the first time ever, hard data from the largest database available in the U.S. to study the COVID-19 impact including deaths & injuries; The CMS Medicare Tracking System.*

During an extraordinary speech at Clay Clark’s ReAwaken America Tour, Attorney Thomas Renz shocked the crowd of thousands in attendance and millions watching via livestream as he revealed:

That data from the Medicare Tracking System reveals that 19,400 people less than 80 years old have died within 14 days of receiving the COVID-19 Vaccine.

In addition, 28,065 people have died that are over the age of 80 within 14 days of receiving the Covid-19 vaccine.

The Total number of American Citizens that died within 14 days of receiving the COVID-19 vaccine is 48,465 according to hard data revealed in the Medicare Tracking System.

In July Attorney Renz Whistleblower, under penalty of perjury, stated that she estimated at least 45K people had died from the Covid-19 Vaccine. USA Today Fact Checkers and other fact checking services claimed that to be “misinformation.” Today’s revelations solidify that the “Trusted News Initiative” is actually the source of misinformation and propaganda, and that Attorney Thomas Renz Whistleblower was correct all along.

After proving that over 45K people have died from the COVID-19 vaccine, Attorney Renz then moved his attention to focus on the amount of people that are being killed in American hospitals by Dr. Anthony Fauci’s instituted protocol of Remdesivir.

Attorney Renz is also in possession of Remdesivir death data from the Medicare Tracking System that has been withheld by the government from our citizens.

The Remdesivir data reveals of the 7,960 beneficiaries prescribed Remdesivir for Covid-19 2,058 died. That is 25.9%.

46% of people died within 14 days of the Remdesivir Treatment. The Remdesivir Treatment was established in U.S. Hospitals at the direction of Dr. Anthony Fauci.

Serious adverse events were reported in 131 of the 532 patients who received Remdesivir. That is 24.6%.

Attorney Renz says " This begs the question... Why is this the protocol in American Hospitals? Does this appear "Safe and Effective" to you?"

RENZ NURSE WHISTLEBLOWERS REVEAL TWO TIER SYSTEM OF CARE DEPENDING ON YOUR VACCINE STATUS

During Attorney Thomas Renz speech at Clay Clark's ReAwaken America Tour in Colorado Springs, Colorado Renz also talked about 2 Whistleblower nurses that revealed to him that they have seen a 2 tier system of health care depending on the patients "vaccination status." "The nurses revealed to me that patients that are vaccinated are getting Ivermectin, which is proven to heal people. But if you are unvaccinated, they put you on Remdesivir in the hopes that you will die" said Attorney Thomas Renz.

THE FDA IS TRACKING VACCINE DEATHS, ALL THE WHILE CLAIMING THE COVID VACCINE IS SAFE AND EFFECTIVE

Also during Attorney Renz' speech he revealed that the FDA is actively working with CMS real-time data (CMS Medicare database) to gather weekly reports on Covid-19 adverse events, despite the fact that the US population is told repeatedly this vaccine is "safe and effective." Attorney Renz says "This information has never been given to the public, and you will see why they have kept it hidden and never published. It's very damning, and this data reveals that the FDA knew what was coming, let it happen, and thousands and thousands have died or been injured."

During his speech Renz revealed in one state alone (New York) that the amount of people who experienced adverse events after the Covid shot were in the thousands. Adverse events experienced by people who got the Covid-19 shot in New York State included thousands of cardiovascular events, thousands of cases of people getting Covid, and thousands of deaths. At least 13 side effects are reported in the system. "Remember, these are "side effects" that the government, media, and social media continue to tell the public that are not happening. The mantra of "safe and effective" must stop after today's information" says Attorney Renz.

A copy of Attorney Renz entire speech along with data from the hidden vaccine tracking system will be posted on his website at www.Renz-Law.com.
