[Global Research Wants to Hear From You!](#)

The real “Axis of Evil” is currently presenting itself to Western populations as Western-supported Zionists unabashedly commit genocide against Palestinian civilians right now, in plain view, for all to see.

Apartheid Israel[1] is using [Western financing, and Western bombs](#), and Western covert and overt support to bomb and snipe and [bury alive Palestinian civilians](#) who are herded from one place to another like so many heads of cattle only to be bombed and starved and further denied all rights, including the most precious one: the right to live.

Gaza itself is not unlike the WW2 Nazi-besieged Warsaw Ghetto where Jews were concentrated, besieged, starved, and ultimately exterminated.

As with the Nazi control of ghetto supplies, Zionists control the two crossings into Gaza: Rafah and Beit Hanoun, and from there prevent international aid from entering Gaza.

See video [here](#).

As with the Nazi persecution of Jews, the Zionist end-game is extermination and evacuation of Palestinians from Gaza.

This is **Option C of Israel’s “Secret Intelligence Memorandum.”**

“Option C”, writes Prof. Michel Chossudovsky, “defines and confirms Netanyahu’s criminal agenda directed against the People of Palestine:

‘It recommends a full population transfer as its preferred course of action. ...’

”

“**Option C**” continues Chossudovsky, “defines the framework of the operation directed against the People of Palestine, with the full support of the U.S. and NATO. It confirms that the ongoing genocide against the People of Palestine was a carefully planned undertaking.

It consists in ‘**the evacuation of the civilian population from Gaza to Sinai.**’ ”[2]

The propaganda that Israelis are somehow “victims” is increasingly absurd especially as details concerning the October 7 false flag[3] become more apparent, even according to Israeli sources.

The truism that “Israeli accusations are its confessions” is especially poignant. Those of us opposing the Zionist-perpetrated genocide of the trapped,starved, bombed, sniped and caged Palestinians are not “anti-semites”. The Zionists are the anti-semites, since they are the ones mass-murdering Palestinians who, after all, are semitic peoples. Zionists, by and large, are not.

See video [here](#).

This War of Terror, this genocide, that the West and its Zionist proxies are waging against Palestinian civilians should weigh heavily on everyone’s conscience. Certainly, student protests against the slaughter are correct and righteous, and those professing neutrality are on the side of the oppressors at a time when the wrong-doers, the evil-doers, have rarely been so transparent.

As Washington-supported Israel tries to widen the war ([and destroy 7 countries in 5 years](#)), per General Clark, Global Terrorists have revealed their hand once again.

The real “Axis of Evil” consists of those countries such as the U.S and Israel which are currently committing crimes against humanity[4] against Palestinians in Gaza, all in the context of a “long war” against humanity which features permanent warfare and international lawlessness as policy.

Any “Rules Based Order” promised by Washington would offer more of the same.
