While some media personalities are chasing their own digital shadow at this year's Bilderberg, other more inquisitive journalists haven't forgotten why they are there and have thus positioned themselves in the right places in order to capture the rare images that activists crave most - of VIP's making their way in secret into this year's globalist meeting in Watford, England...

The UK's **Liberty Tactics** team includes **Lou Collins** and **James Britpod**, alongside the [UK Column](#) and *21st Century Wire* reporters on the ground at the Grove Hotel. We are currently waiting for some IDs on some of the Bilderberg members pictured in these images below:

PHOTO 1: ID of this guest is TBC...

PHOTO 2: Can you ID this woman?

PHOTO 3: Bilderbergers wait between meetings, complete with portfolios and lanyards . ID TBC...

PHOTO 4: Tinted windows are the order of the day - judging by the low position in the seat, could this be a hunching Henry Kissinger?

PHOTO 5: Can you tell us who this VIP is (above)?

PHOTO 6: VIPs in the lay-by waiting for clearance to enter grounds...

PHOTO 7: Police trying to hide in the bushes, inconspicuously raising their 40 ft high CCTV surveillance periscopes.

PHOTO 8: UK Column's Brian Gerrish speaks with Herfordshire police on the edge of the Grove Hotel grounds.

PHOTO 9: Police on mountain bikes trying to blend in...

PHOTO 10: Police on horseback, going for a gallop in the bushy heath...

PHOTO: This more or less sums the entire basis of Bilderberg members' ability to buy power on the cheap.
