Donald Trump is threatening to visit Britain on the quiet in the next few days.

His sneak visit here is as unwelcome as his proposed state visit. He has endorsed the right-wing fundamentalist regime in Saudi Arabia, dropped the “Mother of All Bombs” on Afghanistan, and the US-led coalition is responsible for many civilian deaths in Mosul. He is a threat to world peace and should be stopped. His travel ban on people from six Muslim countries only helps stoke racism. The protests earlier this year have forced him to arrive by stealth to avoid the opposition to him coming onto the streets.

We need to make sure that there are protests whenever and wherever he appears. Stand up to Trump is urging the biggest possible mobilisation at Downing Street or wherever he tries to visit. Keep checking our [website](#) or [standuptotrump.uk](#) for updates and start spreading the word.
