Thanks to [Aga Wilson](#) and [Children's Health Defence Europe](#) for bringing international attention to the unlawful weaponization of the Colleges of Physicians and Surgeons of Ontario and British Columbia, against ethical doctors who maintain our oaths and responsibilities, while refusing to participate in the covid-crimes-against-humanity. Here is the interview.

I take great pride in being one of these physicians. Dr Hoffe, Dr Luchkiw, Dr Phillips, and Michael Alexander JD and are on my short list of heroes.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
