The real story is staring us in the face.

Standing beside Prime Minister Trudeau as the Canadian government gives a standing ovation to an elderly SS (credibly accused) war criminal, is Ukraine's Volodymyr Zelensky, spawn of Washington's 2014 neo-nazi coup against the elected Ukrainian government. Zelensky is emblematic of the real story.

[Nazism](#) is deeply embedded in the Ukraine Regime's government and institutions. Opposition parties are banned, opposition media is banned, dissent is obliterated, a public [Hit List](#) exists featuring numerous Western notables who have taken a stance against the genocidal ethnic nationalist, nazi-impregnated regime that has been bombing its own Russian-speaking civilians since 2014. NATO Secretary General Jens Stoltenberg has admitted that the war started in 2014. (1)

The real story is that Canada at this very moment supports both nazism and genocidal ethnic nationalism in Ukraine.

Canada has trained the overtly nazi Azov militants and Canada has supported, and continues to support, the Banderite coup (and everything that it entails) of [2014](#), and the current "on-going" coup. (2)

One of Putin's goals is the denazification of Ukraine. He is not exaggerating nor is he using a figure of speech. It must be done, and countries such as Canada shamefully will continue to do everything possible to protect and empower the nazis/Banderites.
