RE: A PARLIAMENTARY INVESTIGATION INTO THE ATTACK ON OUR PARLIAMENT AND THE MURDER OF TWO SOLDIERS

Dear Mr. Rankin,

What do you think of the idea of a Parliamentary Investigation into the attack on our Parliament?

Right now Canadians are being told a story by Harper, CSIS, The RCMP, and the Corporate Media. A lot of Canadians do not believe this story. I think it important that our Parliamentarians, whose building was attacked, immediately begin your own investigation, on behalf of the people you represent, into what really happened with the attack that killed two soldiers and shut down our Parliament.

The official Government / Media story may be correct in all areas. But maybe not. We have been misled by these people before. Certainly this attack is so important that we must find out the truth, and not rely on people who we have no reason to trust or believe, such as CBC, CTV, the RCMP, the Government, and etc.

I think a lot of Canadians would like to see an Independent Investigation of all events surrounding this attack. I think that perhaps Parliament can do it. I hope that Parliament is both interested and capable of taking on this very important job.

I'm going to try to publicize this idea. I'm going to suggest others also contact their Members of Parliament. I will show this letter as a possible template, and mention that I am awaiting a response from my own MP.

I know we have some GREAT members of parliament. This is a time for heroes. The British Parliament stood up a year ago and stopped their Prime Minister from joining the Americans in an attack on Syria. It's time OUR Parliament stood up as well. This is a very dangerous time for Canada and we desperately need our Parliament to do something. I hope our

Parliamentarians are able.

Thank you Murray.

Your constituent,

Jack Etkin
