Most Canadians believe the dominant narrative from our controlled, monopoly media. But the dominant narrative is a lie. Russia is not the enemy. We are. We are the one's supporting al Qaeda and ISIS in Syria, not Russia.

Recently, for example, the Canadian government announced that it will welcome 50 White Helmets and their families into Canada. Here they will have a safe haven.¹

The Canadian government and its agencies extol the imagined virtues of these “first responders”.

Chrystia Freeland, Canada’s Minister of Foreign Affairs, tweeted:

The White Helmets are courageous volunteers and first responders who risk their lives to help their fellow Syrians. Our thanks to Israel, Jordan, US, UK, Germany and our other partners who have worked closely with Canada to make the evacuation of WH possible.

— Chrystia Freeland (@cafreeland) [July 22, 2018](#)

But we know, and it is well-documented, that the **White Helmets are al-Qaeda auxiliaries**.² They stage false flags. They fight alongside their al-Qaeda/al-Nusra Front and affiliated terrorist brigades.

The White Helmets are part of a “smart power” complex³ that disguises terrorism and wars of conquest as “humanitarian”. These terrorists are not independent. The West, including Canada⁴, supports them financially.

Government Entity	Country	Year(s)	Dollar Amount
US AID (via US State Dept.)	US	2014-2015	\$23 million

NOTE: Much of the White Helmets incoming finances are funneled through a Netherlands registered NGO vehicle called **Mayday Rescue**. Additional funding rounds from EU member states, including the Netherlands, Germany, Denmark, Luxemburg, Ireland, Spain and others, may also be concealed behind the generic heading of "Emergency Health and Relief Support to the Population Affected by the Crisis in Syria", with money distribute through the **Directorate-General for European Civil Protection and Humanitarian Aid Operations (DG-ECHO)**, formerly known as the European Community Humanitarian Aid Office.

None of this international criminality will ever benefit Canadians, and all of it is to the detriment of humanity.

If Canadians knew the truth, they would not support policymakers who are making decisions in favour of terrorism and never-ending wars of aggression.

Canadians need to know the truth.
