

The Case of Reiner Fuellmich Is Representative for a New Nazi Germany

For 11 months, Dr. Reiner Fuellmich, German Civil Rights lawyer, has been unjustly detained in prison, in pre-trial detention. Like a criminal, he may leave prison only in handcuffs and foot shackles and accompanied by two armed guards.

He has committed no crime, has not been judged, but is a political prisoner, waiting for a political trial. If it were in what the West arrogantly calls a developing country, it would be named a “Kangaroo Court with a Kangaroo Trial”.

Last night, Reiner’s mother passed away. She was sick and in her last days. Reiner asked the Court for permission to spend the last hours with his mother to say goodbye. He got permission only under the condition that he be handcuffed, shackled and accompanied by two armed guards.

Reiner refused. He did not want his mom to suffer in her last moments of life, seeing her son in these inhumane conditions. So, he refused.

That just tells about everything what Germany has become again... a full-fledged Nazi Tyranny.

This is a quote from the text:

“Carsten Schindler [judge] is leading the proceedings against civil rights activist Dr Reiner Füllmich. While the lawyer initially gave the impression that he was interested in a constitutional trial, his latest „sleight of hand“ (quote from lawyer Dr C. Miséré) shocked trial observers, international human rights activists and lawyers alike. Schindler’s name will be remembered in the future with one of the most curious cases in German legal history: When the Federal Republic of Germany [FRG] illegally abducted

a civil rights activist from Mexico in order to put him on a contrived trial.

When it could be proven on the basis of the shareholders' resolutions that Fuellmich had effective sole power of representation [in terms of managing the Corona Committee's funds], the court looked for new ways to incriminate the persecuted man. Fuellmich's lawyer Katja Wörmer commented: „When this argument was no longer possible, the district court simply reinterpreted the justification for the criminal offence as an abuse of power of representation.“

This means nothing other than: first, the Court claimed that the persecuted person [Dr. Fuellmich] was not authorized to carry out his duties. When it then turned out that he was indeed authorized, the Court changed its view and said that he was authorized but had abused his power of representation.

*

It cannot be excluded that Viviane Fischer, tutored by Reiner Fuellmich, and who then became his partner in the Corona Committee, was paid by the "authorities" to betray him - and seek the cooperation of other former cooperants of Dr. Fuellmich's Corona Committee.

That is how German authorities work today. No scruples. The so-called "authorities" know the crimes they have committed with covid, the many lives they bear in their conscience, if ever they have one, therefore, they feel, "*We MUST continue to the end, we cannot give up and become human*".

The orders, of course, come from high above, but Germany would have the economic power to resist such pressure, align with Western Europe's natural Eastern partner, Russia, and lead the way towards peace and a free Europe. Free from the fangs of Washington.

It is reminiscent of the times of more than 80 years ago, when a certain Adolf Hitler ascended to power, first in Germany, then throughout most of Europe and even North Africa - and failed when attempting to conquer the then Soviet Union.

Thanks to the USSR which paid with up to 30 million lives for the liberation of Western Europe, and who knows, possibly also the "freedom" of the United States - we had for over half a century a rather peaceful and one could almost call it "democratic" Europe.

But the powers of fake money, fake money creation and accumulation by a few privileged mostly eugenist billionaires, elitists, all anchored in the fraudulent Federal Reserve Act of 1913 - they are today again using their *faux* financial strength to buy the world and attempt again through the very same, apparently highly corruptible Germany, to conquer today's Russia.

The West, including the artificially-created puppet European Union, believes the Washington-instigated war of Ukraine against Russia [which is in part a European Nation State] will serve as a proxy for the West to subjugate Russia.

Not all Germans are corrupt. But those who are and have the "best" or "worst" record of corruption and reputation, are at the heads of Germany and the European Commission today: Olaf Scholz, Chancellor of the FRG since December 2021, former Mayor of Hamburg; and Ursula Von der Leyen, former German Defense Minister, now unelected Head of the European Commission. None were elected by the people. Scholz, though "elected" by the

Bundestag (Germany's Parliament), was done so at the recommendation of the German Federal President; and this without a debate (Article 63 of the German Constitution).

The two key figures in European Union are corrupt German implants. They are leading the European Union via Germany and the European Commission to the third demise in just over a century at —guess whose behest?— Washington's. And who calls the shots in Washington, regardless whether Trump or Kamala will be the next president? The Zionists.

This is just a brief interlude to explain why Dr. Reiner Fuellmich an honest fighter for human rights, must be silenced, come hell or high water.

No German judge could allow himself to apply reason and free the *not guilty* Reiner Fuellmich, lest he renounces his or her career - or worse.

So, this is where we are at, and that's where Germany is again today.

Few are the Germans who see through - or better, want to see through - this new fast track towards neo-socialism - Nazism of today's version. It is a more sophisticated and more deadly version than that of 80 years ago.

The same kind of people that does not dare to speak up for their rights— then, by Hitler's threats— today have been silenced by the "covid crime" executed by their government - and they know, or think they know, contradicting the official government narrative would be worse, could be deadly.

They suffer from more than *cognitive dissonance* - it is *cognitive fear*. They watch, four generations back - injustice galore, and hope it will not catch up with them.

Let us pray and do whatever we can for Reiner Fuellmich, that a universal justice will prevail, that eventually the Sun's light will outshine Germany's and the western world's tyranny in general.

Justice MUST prevail.
