The 148-page document released by the CDC was in response to a Freedom of Information Act (FOIA) request by the Epoch Times. The totally redacted CDC study on myocarditis after mRNA vaccination can be accessed [here](#).

The CDC "released" a 148 page study on myocarditis after COVID-19 "vaccination" and every single page is completely redacted. This must be a new record. <https://t.co/kIE2s7Wl2z> pic.twitter.com/M6xDbRYMZx

Reporter Zachary Steiber explained on X,

"Seeing some confusion about this document: It's a CDC document sent to us in response to a Freedom of Information Act request and is fully redacted."

"The request asked for information about the CDC's MOVING project. The team has posted several studies, including [this one](#). The CDC plans to submit another paper on updated findings from the project for peer review, a spokesperson told us in January."

The establishment narrative around the COVID-19 mRNA vaccinations and serious health consequences including myocarditis continues to unravel in the face of public scrutiny.

Dr Anthony Fauci finally admitted during an interview on ABC's "This Week" in September last year that the Covid-19 mRNA jabs can cause myocarditis.

After months of dismissing or downplaying concerns about the potential side effects of the experimental vaccines, president Biden's former covid czar now says that there is a myocarditis risk, particularly in young men.

During the interview, Fauci was asked to discuss the recent surge in COVID-19 cases and the ongoing vaccine drive.

Fauci now admits the vaccine causes myocarditis.

Meanwhile, nine new members appointed to the committee that advises the CDC on vaccine recommendations have taken [huge payouts](#) from Big Pharma companies to push the deadly mRNA vaccines, according to a new investigation.

The U.S. Department of Health and Human Services (HHS) in mid-February appointed the new members to the Advisory Committee on Immunization Practices (ACIP), which dictates U.S. vaccine policy.

Commenting on the new appointments, [Children's Health Defense](#) (CHD) President Mary Holland said:

"ACIP has long been a rubber stamp for any and all vaccines [Big Pharma](#) wants to push. But the brazenness of the HHS-Big Pharma fusion has never been so much on display.

"The only silver lining in this grotesque display is that more and more people are waking up to the reality that ACIP has nothing to do with health and everything to do with profit."

The ACIP is described as an [independent, nonfederal expert body](#) made up of professionals with clinical, scientific and public health expertise. The committee decides which vaccines should be recommended to the public, who should take them and how often — recommendations the CDC typically rubber stamps.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. –Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. –David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global

coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
