It should nonetheless be noted that the collapse of WTC7 was a deliberate and planned act. That is firmly established. The announcement of the collapse of WTC7 was made both by the BBC and CNN prior to the actual event, which confirms that there prior knowledge of

the collapse.

"The most grotesque lie pertains to the BBC and CNN announcement in the afternoon of September 11, that WTC Building Seven (The Solomon Building) had collapsed. The BBC report went live at 5.00pm, 21 minutes before the actual occurrence of the collapse, indelibly pointing to foreknowledge of the collapse of WTC 7. CNN anchor Aaron Brown announced that the building "has either collapsed or is collapsing" about an hour before the event."
