Actor Roger Moore, while filming one of his slew of James Bond movies, was reputedly asked by a reporter whether he did his own stunts, to which came the legendary reply: "I say my own lines."

*Well, unlike his uncle or his father, **Robert F. Kennedy, Jr.** not only says his own lines, but he writes them as well. He has accomplished, particularly with his magisterial work on Fauci, what neither of his two more famous relatives ever did: to compose a complex and compelling work of tremendous scholarship, all the while leading an overbusy life as lawyer, health advocate and, now, as a politician.*

I regard **The Real Anthony Fauci** as one of the holy trinity of truth-telling covid tomes, the other two being the books by the **Breggins** (*Covid-19 and the Global Predators: We are the Prey*) and **Michel Chossudovsky** (*The Worldwide Corona Crisis*).

What Mr. Kennedy has done recently, however, while on his campaign tour, is astonishing. He has openly declared that the “Deep State” murdered John F. Kennedy and Robert F. Kennedy, Sr., and that MKUltra exists.

So far as I know this is the first admission by a major public figure about JFK’s assassination, which is sending shock waves through the neoliberal globalist predator community masquerading as do-good lefties, because their attack dogs have been unleashed against him.

Kennedy Jr. has of course been famous for quite some time as an environmentalist and as indefatigable investigator of the pharmaceutical-vaccine industrial complex with its powerful tentacles throughout government and its mission to leave no good person unjabbed, multiply, ad infinitum. In his person Kennedy represents the shining nexus that reveals just how State-sponsored murder and harm are accomplished – whether by assassination of for-the-people peacemaking politicians, or inoculation of tricked, duped, comforted or mandated millions.

He has connected the dots, cogently and visibly, for us all. Which leads me to a general observation about those of us who have fought against the covidian deceptions and learned about the plethora of other large-scale deceptions along the way – **lies about the deaths of the famous four who died trying (JFK, MLK, RFK and X), 9/11, the Iraq WMD,** and the **climate scam** that has been shoved into our ears and eyes relentlessly for years. And if one is industrious enough one can find many many more, because once the door is opened, once one has a glimpse into the horrendous callous indifference of the Ruling Powers, one cannot fail to see how we have all been played.

Yes, we have all been played, and as a consequences many people have suffered and died, whether it has been through military shock and awe campaigns or sanctified mass vaccination, wars small or large (Vietnam, anyone?) but always, it seems, endless.

But now the war has reached such proportions, is so massively global, so oppressively prosecuted upon us all – remember how the entire world was shut down in a matter of weeks in 2020? – that the stakes cannot be higher, as the intrepid Breggins, Chossudovskys and the Kennedys of our time are showing us.

For those of us, like myself, who grew up in post-World War II America with its economic engine and the flourishing of ideals derived from the founding documents of our complex country, the murder of JFK was a catastrophic apotheosis. It signalled the strong hand of the Occult Elite, the hard hand of the Deep State, culminating now in a transcendent exercise that has ensnared everyone. However as long as their work was in the shadows they could work with impunity against our interests. Many people have worked for many years to show us a glimpse into the murky machinations of Power, and RFK Jr. has now very publicly represents, as it were, the bow that ties the knots of deception together, nice and neat and for us all to see.

The fight will go on, and it will continue to be messy. They – governments and corporations and the Overlords of Finance and Terror – will censor, control, abuse, make a mockery of the courts they hold up as representing law, and persecute and harass those who raise their voices against such oppression.

But they no longer have the upper hand.

Their jig is up, the curtain has been pulled, the cat is out of the bag and every dog will have his day.

They will not win.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
