Whoever thought that the Zionist-Israel war against Palestine and Lebanon was independent from the war in Ukraine may be dead-wrong. The same dark forces – call them Deep State – are at play on either side of the Med Sea.

Whoever the Deep State is or are, they have control over a lot of money, a real lot. Over 90% of the total monetary flow worldwide is under their management because they control the **Bank for International Settlements (BIS)**, which is also called the Central Bank of all Central Banks, and is domiciled in Holy Switzerland, where else? The BIS is controlled by the Rothschild clan and supports the Ashkenazi Zionists.

How will President-elect Trump make sure on his promises to be a Peace President, resolving the wars in Ukraine and the Middle East within days of taking office? His Cabinet selections may not be all Jewish, but most of them are strong supporters of the Zionists and by association, Genocide-Netanyahu.

Just look at the profile of Trump's appointee for the Defense Secretary, **Mr. Pete Hegseth**, a staunch Zionist-Israel supporter and Iran hater. [See this assessment](#) from a former Secretary of Defense.

Did Mr. Trump himself at some point convert to the Jewish faith? Conservative radio talk show host Mark Levin called President Trump in 2019, the nation's "first Jewish President." However, such rumors are most likely not true, but may be fueled by Trump's daughter Ivanka, having converted to Judaism when marrying Jewish **Jared Kushner**.

Trump's appointees and his own friendship with Netanyahu do not bode well for Peace in the Middle East. But time will tell.

A few days ago, Donald Trump made a devastating statement for the cult, called *Deep State*, **on how he will prevent WWII and Nuclear Armageddon, by dismantling the US Deep State, drying up the Washington swamp, and by calling the current Administration a "Third World Dictatorship."** See this 3.5-minute video clip:

This happened about the same time a few days ago, as Biden reportedly authorized Kiev to launch long-range US-made ATACMS missiles deep into Russia. British **Defense Secretary John Healey** told Parliament immediately that

“We, as a nation and as a government, are doubling down on our support for Ukraine and are determined to do more,” and allowed Ukraine to use the UK- French made Storm Shadow long-range.

This apparently Healey justified because Russia has allegedly recruited North Korean troops to fight against Ukraine.

See [this](#).

France and other NATO countries enhanced this support. Will Kiev be thoughtless and foolish enough to make use of this western-NATO authorization?

Apparently, they already have. CNN reports today, 21 November, that Ukraine launched a Storm Shadow missiles at targets inside Russia for the first time on Wednesday, 20 November 2024, according to a Russian military blog and Reuters, a day after Ukraine fired US-made ATACMS missiles into Russia. See [this](#).

In turn, Thursday morning 21 November, Russia fired an intercontinental ballistic missile (ICBM) at Ukraine for the first time. The missile was an attack on the central Ukrainian city of Dnipro, targeting critical infrastructure. Currently, no reports on casualties are available. See [this](#).

Adding to the disaster, and according to the Washington Post, outgoing **Joe Biden** has reportedly decided to send anti-personnel landmines to Ukraine; a news item repeated by multiple media outlets, citing unnamed American officials. See [this](#).

An imminent WWII is in plain view. Tucker Carlson reports on “X”, in an interview with Glenn Greenwald, that “permanent” Washington, those who do not want to yield power to the newly elected President Trump, seem to decide that “**Nuclear war is preferable to Donald Trump.**”

Under these, not just war-mongering but war-provoking circumstances, how could Donald Trump negotiate a Peace Agreement?

First, it is against the wishes of the west, of NATO; and **second**, they, NATO and the Deep State, seem to do everything possible to start a major war which could be blamed on President Putin, before Trump can take office on 20 January 2025, so that they, the Dems [under command of the Deep State], can call for *Martial Law* and delay Trump's Presidency indefinitely.

That is what the Globalists want. They prefer nuclear war to Trump becoming President, and risk the globalist-dream with all its anti-human agendas being demolished. This seems ever more evident as days move forward. And it fits the conclusion of the Tucker Carlson-Glenn Greenwald interview above.

To get back to the link between Ukraine and the Middle East wars, let us compare this with what the former leader of the Ashkenazi Jews, Rabbi Schneerson, said in 1994.

Jewish Chabad 1994 plan to 'liquidate' Slavs via Russo-Ukraine war - In a 1994 speech published in Vologda newspaper Slavyanin, Chabad leader Rabbi Schneerson outlined plans for destroying Ukraine and Russia:

Chabad leader, Messiah Menachem Mendel Schneerson (1902-1994)

"Slavs, and among them Russians, are the most unbending people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. Slavs can be destroyed, but never conquered.

We will divide Slavic nations into small countries with weak connections, we will use our old method: Divide and conquer, pit these countries against each other, and suck them into civil wars for mutual destruction.

Ukrainians would think they are fighting against expansionist Russia, struggling for independence.

Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

'NATO is Khazaria in Drag'

<https://henrymakow.com/2022/04/russia-khazaria-ukraine.html>

Notice the last sentence: **“NATO is Khazaria in Drag”, meaning NATO is Khazaria in disguise.**

If we want to get out of the dual larger Zionist-Khazaria in Ukraine, *cum* the larger Israel in the Middle East, absorbing up to half or one-third of all Middle East and the corresponding hydrocarbon resources, We, the People must act now; *first* by spreading the connecting dots worldwide without delay; and *second*, by lobbying the Trump Administration not just for Peace, **but for Peace and an independent, sovereign Ukraine; not a Ukraine privatized by BlackRock.**

BlackRock has already privatized at least a third, probably more, of Ukraine’s rich agricultural land, plus much of Ukraine’s natural resources, against a BlackRock-managed Fund for Reconstruction.

BlackRock is behind the Kazarian Empire and Zionist-Israel.

Unconfirmed rumors have it that Mr. Trump has asked or may ask **Larry Fink**, CEO of BlackRock, to become the next Secretary of the Treasury. There is nothing like the fox guarding the hen house. That would be the beginning of privatization in the United States.

These are dangerous and vulnerable times of clandestine happenings and agreements which, once set in motion then in stone, are hard to get out of.

We the People, **MUST** stay alert, awake and aware to prevent the Dual Empire to emerge and to become suddenly the flagship of the Global One World Government.
