## Hiram high school student dies weeks after collapsing at graduation: 'She just fought through'

By [Eric Mock](#), June 22, 2024 11:18pm EDT, [Paulding County](#), [FOX 5 Atlanta](#)

HIRAM, Ga. – The mother of a Hiram High School student who collapsed at her graduation and died just a couple of weeks later tells FOX 5 Atlanta that her daughter showed incredible strength and perseverance at that ceremony.

"She's still smiling," said Saevon Chum, mother of 18-year-old Sienna Stewart, as she re-watched the video of her daughter walking at graduation.

"Seeing her smiling was everything," Chum said.

That's because her daughter had just gone through a terrifying ordeal.

The Hiram High School graduation ceremony on May 23 stopped abruptly when Sienna Stewart fell unconscious.

In a video of the graduation that the high school posted on YouTube, the principal announced, "just give us a second please, we have a student, just give us a second..."

You can then hear school staff calling for Sienna's mother.

"When I got there, the ambulance was already there. She had collapsed. She had had another episode. But this was the first time she collapsed unconscious," Chum said.

Thankfully, after a few minutes, her daughter regained consciousness.

Chum and the paramedics wanted to take her to the hospital, but through tears, Chum says Sienna begged her to let her walk across the stage.

### My Take...

There are many COVID-19 crimes that have gone unpunished.

One large area of COVID-19 criminality involves transplant patients.

Unvaccinated transplant patients, for example. Sheila Annette Lewis was murdered in Alberta by Alberta Health Services CEO Verna Yiu, with the help of 4 corrupt Alberta Judges. Verna Yiu was rewarded for her many COVID-19 crimes with a new \$700,000 job as University of Alberta Vice President.

Garnet Harper, 35 year old father of 5, was murdered in Ontario.

But COVID-19 Vaccinated Transplant patients are being eliminated as well, as the COVID-19 Vaccine often accelerates transplant damage and rejection.

18 year old Sienna Stewart was doing well with her heart transplant, which suddenly began to fail in April 2024. A police investigation should start with her COVID-19 Vaccination history, and autopsy with staining for the COVID-19 Vaccine mRNA and spike protein in her heart.

If she had COVID-19 Vaccines, there is a very high probability that the jabs damaged her heart and accelerated her Heart Transplant failure.

We are going to see this happen with all types of transplants.

# The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”*

## Reviews

*This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon*

*In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia*

*In fifteen concise, science-based chapters, Michel traces the false covid pandemic, the PCR test, producing up to 97% proven false positives, combined with a massive media campaign, was able to create a worldwide panic-laden “plandemic”; that the plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig*

*Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac*

*A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom*

*loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin*
