We knew two weeks out that the risk of survival was 99.998% for those 70-75 years old and below! Zero child in US died across three years if infected! Life expectancy 79 yrs, median age of COVID death is 83

COVID was a fraud PCR created pandemic. A fraud! A lie! Greatest hoax in history on peoples. Populations. I can say it no other way. We were detecting a pathogen that was always circulating, it was not 'new', not 'novel', our immune systems dealt with this prior in some manner.

Driven by a PCR test or process that was overly sensitive and whereby the vast majority of those taken out of schools and society were not positive for infectious or lethal pathogen. This statement is key.

COVID killed high-risk, susceptible, vulnerable persons beyond life expectancy. It did not cut life short. Wrap your head around that! COVID was like a common cold, heavy flu if that with an infection fatality rate (IFR) of 0.05% for those under 70 years. No excess mortality in 2020 at the height of the pathogen circulation, yet excess mortality when we rolled out vaccine and in line with lockdown lunatic policies and how we treated people in hospitals.

It was not a pandemic, it was a fraud.

A pandemic devastates the world and social structures and society across age groups etc. This did not. Children were spared. Nothing our governments did, nothing, not one example of a lockdown, school closure, business closure, nothing, zero, nothing worked! It was all a failure that instead hurt our people terribly and we will suffer the effects of this madness for decades with some e.g. our children, never ever recovering.

The Diamond Princess (3700 on board, 800 infected, 10 odd deaths, this was the flu or less than it) was our petri-dish and we pretended it did not exist. All we needed to know about this pathogen we knew from Diamond but it was covered up largely.

Our governments and their health officials, alphabet health agencies with their incompetent political malfeasant leaders and officials, the legacy swamp media, the medical doctors, academic scientists, television talking heads etc. DID kill. Not the virus. No no no, we lost most not from COVID virus, we lost most due to:

1. denial of treatment for chronic illnesses such as heart disease, cancer, diabetes, metabolic disorder etc. as all beds and clinics were criminally and insanely designated 'COVID' beds and services ONLY
2. the ravages of the lockdown lunacy, school closures, business closures etc. Many hung themselves.
3. the fraud ineffective and deadly COVID gene injection itself (the Malone, Kariko, Weissman et al. mRNA technology based gene injection)
4. and mainly, due to how the medical system treated our elderly and our peoples via DNR orders, denial of antibiotics when most advanced COVID patients had serious bacterial pneumonia needing antibiotics, fraud overcycled PCR false positive process (95% false positive when cycle count threshold was above 24), sedation using diamorphine, midazolam, isolation, malnourishment, dehydration of our elderly locked away in the COVID 'black hole' (COVID PROTOCOL) in the back of the glass windowed rooms of the hospital, administering deadly Remdesivir (kidney and liver toxic), intubation and then put on the deadly ventilator that blew up lungs.

We created a fraud pandemic using the fraud PCR false positive test cycled to 40 and 45 and thus not detecting infectious and lethal virus. It was all a hoax largely designed for nefarious reasons and to topple Trump. The respiratory influenza like illness due to whatever Fauci and Francis Collins and their NIH and DoD et al. created via gain-of-function or whatever, note I use the term 'whatever' for what we think we know today will change tomorrow, and that respiratory illness was not out of the ordinary. It actually was on line with 'expected'.

I argue we detected with the PCR, something that nefarious sick people knew was already circulating as they had released it years prior (intentional or accidentally and again, we do not know 'yet'). They knew we were largely immune already.

The excess deaths today are due to the fraud vaccine and the devastating medical management of our people, coupled with the NPI lockdown lunatic shielding policies and the denial of treatment that sees deaths now accruing due to being far along disease sequelae.

Excess deaths are stark now and can be tracked to each dose of vaccine. Elevated in all

nations that took heavy vaccine. Why do you think?

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. –Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying

Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.
—Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. –David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. –Edward Curtin
