Ever since WHO mandated worldwide vaxx-certificates – a move directed and funded by the Gates and Rockefeller Foundations, not by WHO’s member states – the rope is tightening around the necks of those who decide not to go for the experimental not approved gene-therapy jab: They are not allowed in restaurants, or attending any indoor activity, be it sports or cultural events – not even the zoo.

All 193 UN member countries are dancing to the same tune, the tune of a deep dark ultra-wealthy state. How strange! Is anybody still believing that the covid circus is about health protection?

Yes, there are many, many people who still believing that it is right to segregate the people into vaxxed and non-vaxxed, even though the very WHO says officially the – what they call – vaccines – do not protect against covid infections. Among the most recent proof is Israel, where most of the recent covid deaths, were vaccinated people. This also applies to a large extent to the rest of the western world.

It doesn’t matter how stark the evidence is, many people still believe their governments, and worse, they obey their instructions.

Maybe the governments, corrupted as they are, are lying, when they say that a majority of

people has already been vaccinated. If you look closely, the entire narrative about covid is and has been for the last 18 months – and longer – one Big Lie.

Scenarios for the Future of Technology and International Development

And yet, people who have been and are suffering from the “health impacts” of the *invisible* covid “virus” – obliterated economy, joblessness, misery, poverty, homelessness, famine – and in many cases death by suicide – still believe in the authorities. They cannot but admire their dictatorial governments, who punish and torture their populations in *lockstep* around the world. Remember the first scenario of the infamous *2010 Rockefeller Report* that laid the groundwork for ***The Great Reset?***

It’s called the *Lockstep Scenario*. It might also be called *Stockholm Syndrome*. You love your torturer and killer. **If there has ever been a pandemic called Stockholm Syndrome, it is NOW.** See this [also](#).

The Defender of 15 September 2021, sponsored by **Robert F. Kennedy Jr.**, pointedly reports,

“With new mandates being rolled out almost daily, every aspect of your life, from employment to travel to entertainment to education to access to healthcare — even to being able to obtain a bank loan — may soon be tied to your vaccine status.” – Kennedy is absolutely right.

His report continues:

“And if public health officials get their way, **no child in this country will be able to attend school without multiple injections of an experimental vaccine** — for a virus that poses little or no threat to them.”

You may add, that since children as young as 10 years, in many cases even down to 5 years, are the latest victims of “vaccine” injuries, even death. And those who get away with it, may be infertile for life. There are several “trials” with Gates-sponsored, and WHO-supported “vaccination campaigns”, targeting young girls and women – in Africa, India and Bangladesh – ending up sterilizing the vaccinated. Many died in the process.

But the bulldozer moves on, relentlessly, not stoppable, because there is nobody, no authority out there which dares contradicting the Gates-Rockefeller (and others) eugenist agenda.

After all, on average some at least two thirds of WHO’s budget comes from the private sector, notably from Gates and the pharmaceutical industry. This is unheard of in the rest of the UN system. But then, WHO was created in 1948 by the Rockefeller Foundation – a brilliant idea as such, to have the world’s health in the hands of a UN agency, so it may be manipulated literally in lockstep around the globe, for the purposes of the rich and powerful.

Many of today’s covid vaxxers are eugenists. They have been bought, coerced or

threatened into believing what they are doing is good for humanity. Let's give them the benefit of the doubt. Many medical doctors and scientists have to toe the line, or else.

“Father, forgive them, for they do not know what they are doing.” - Luke 23:34

There are some very rich and powerful *un-humans* at the wheel. We let them. They are tyrants. We love them; hence, we obey them. It is as if we needed them, their direction to - the slaughter house. Yes, the ***Stockholm Syndrome pandemic*** - is in full swing.

Obedience

The way this works has been tested more than fifty years ago by **Stanley Milgram**, a psychologist at Yale University. **Professor Saul McLeod**, a qualified psychology teacher, in a 2017 updated version describes in detail what he called ***“The Milgram Shock Experience”***.

Professor McLeod describes in ***SimplyPsychology*** one of the most famous studies of obedience in psychology, carried out by Stanley Milgram, also a psychologist at Yale University:

“Milgram conducted an experiment focusing on the conflict between obedience to authority and personal conscience. Milgram (1963) examined justifications for acts of genocide offered by those accused at the World War II, Nuremberg War Criminal trials. Their defense often was based on “obedience” - that they were just following orders from their superiors.

The experiments began in July 1961, a year after the trial of Adolf Eichmann in Jerusalem. Milgram devised the experiment to answer the question: Could it be that Eichmann and his million accomplices in the Holocaust were just following orders? Could we call them all accomplices?” (Milgram, 1974).

In another stunning interview, “World Vaccination” - **Michael Matt** talks about the Kennedy Connection, including an interview with **Robert F. Kennedy Jr.**, where Kennedy describes how this machinery of world dominance killed his uncle, **President John F. Kennedy** in 1963, and five years later (6 June 1968) his dad, **Robert Francis “Bobby” Kennedy**, his uncle's younger brother, who was also a Presidential candidate.

Robert Kennedy Jr. describes in this video, starting minute 19 (total video 47 min - 9 September 2021) how President Eisenhower already in early 1960 warned about the powers of the Military Industrial Complex, how it may take over government and forge a world-domineering way forward, if not stopped. What Eisenhower did apparently not foresee at that time is the importance and powerful influence, the hand-in-hand world takeover, of the Wall Street financial elite with the military.

We are at crucial cross-roads. The next couple of years will determine how the long-planned UN Agenda 2030 will develop and end up.

The so-called UN Agenda 2030 was designed in a 1992 UN-sponsored World Conference, the **United Nations Conference on Environment and Development (UNCED)**, also known as the *'Earth Summit'*, held in Rio de Janeiro, Brazil, from 3-14 June 1992.

The more we know, the better we are able to connect the dots, and the better we are armed for defense and reversal of this infamous agenda.

And the sooner we know what we need to know for the safety and survival of mankind, the sooner those doped by the bought propaganda mainstream media and suffering under the **Stockholm Syndrome**, may wake up – and unite in solidarity.

Its mending the division between the vaxxed and the non-vaxxed – and fighting the common enemy, the Globalists, the One World Order elite – with a novel and common approach of sovereign nations for an environmentally safe and healthy world development.

We shall Overcome!
