When Malaysia Airlines Flight 17 went down on July 17, 2014, we were immediately inundated with base propaganda trying to convince us that the shootdown could be traced back to the Kremlin. But what was this rush to judgement based on? What have we learned about the crash since then? Why has MH17 completely disappeared from the news cycle? And who really stood to benefit from the disaster? Find out the answers to these questions and more in this week's edition of The Corbett Report.
