Terrorism... Military invasions... Resources wars... We can call it what we want, but the bottom line is that there is no end to greed until we stand up and say "enough is enough". In fact, it's too much. The drums of war are beating and it's up to us to choose whether we march along, or we rewrite the score.

In an era of media disinformation, our focus at Global Research has essentially been to center on the "unspoken truth". Since its inception in 2001 we have established an [extensive archive](#) of news articles, in-depth reports and analysis on issues which are barely covered by the mainstream media. From modest beginnings, with virtually no resources, the Centre for Research on Globalization has evolved into a dynamic research and alternative media group.

What motivates us? The same thing that motivates you to visit our website and read the [articles](#), watch the [videos](#) and share them with your networks: we want the truth. We NEED the truth. Our lives and the lives of future generations depend on it.

"Global Research is one of the finest and most easily accessed research tools on the web. A vast array of articles by the best known researchers are instantly available. Michel Chossudovsky's meticulous research, perspicacity and courageous reporting offer the reader credible and in-depth analyses of the complex and controversial events of our time."

-Bonnie Faulkner, Producer/Host, [Guns and Butter](#), The Pacifica Radio Network

However, maintaining our operations and supporting our contributors does present a financial challenge, and since we will always insist on remaining independent, we need the support of our readers to help us continue our battle against disinformation.

If you are in a position to support us by making a [donation](#) (and truly, EVERY amount helps), then please visit our [Donation page](#) and find out how you can process your payment online instantly, or else by mail or fax. And know that your contribution is as much appreciated as it is needed.

Recognizing that many of our readers may not be able to include a [donation](#) or [membership](#) in their budgets, we ask that you nonetheless continue to spread our articles and videos far and wide. Sign up for our [free newsletter](#) mailing list. Join the discussion on [Facebook](#). Let's use our strength in numbers to fight the well-funded corporate media and break through their lies.

We all have a role to play in the peace process, and every effort makes a difference.
