

Cutting Through the Lies: Peace Through Awareness and Action

By [Global Research](#)

Global Research, November 14, 2018

While we must always hold on to hope, true peace can only be achieved through awareness and action. According to Professor Peter Dale Scott: *“The future of our threatened world urgently requires the strengthening of a global public opinion, to resist and overcome the wrongdoings of oppressive local powers.”*

In a “post-truth” world, where the lie has become the truth, who can you trust? Unlike many other news sites, we encourage you to gather your world view from a diverse array of authors and form your own conclusions. In the spirit of truth and critical analysis of World events, please consider making a contribution to Global Research. The more we stand together, the stronger we’ll be.
