**Dimitri Lascaris** will embark upon a Canada-wide speaking tour next week to report back to Canadians about his recent mission of peace to Russia. The title of the tour is "Making Peace With Russia, One Handshake At A Time."

In April 2023, **Dimitri Lascaris**, Canadian lawyer, journalist and now citizen-diplomat, embarked on a self-financed trip to Russia where he lectured to students, presented at a think tank, gave interviews, met officials and peace activists, appeared on Russian media, wrote articles and tweeted daily about what he saw and heard.

The Canada-Wide Peace and Justice Network (CWPJN) is sponsoring the pan-Canadian tour. It hopes that Dimitri's tour will move the needle on Canadian public opinion in support of a negotiated end to the war in Ukraine and thus accelerate an end to the conflict. For the CWPJN position on the war in Ukraine, please see: <https://peaceandjusticenetwork.ca/stop-the-war-feb-2023/>

For his part, Dimitri agreed to embark on this Canada-wide speaking tour because of the extraordinary danger created by the war in Ukraine. As he explained:

"NATO is effectively at war with Russia. They possess enough nuclear weapons to destroy the world many times over. Meanwhile, the climate crisis is spinning out of control. Not only is the war itself a major source of emissions, but this conflict is an insurmountable obstacle to the international cooperation needed to manage the climate crisis responsibly. Never before was the cause of peace more important than it is today."

Dimitri's tour begins on June 19th in his hometown of London, ON. The tour schedule is as follows:
