GeoengineeringWatch.org is pleased to announce the release of our groundbreaking documentary that conclusively exposes the existence of global weather intervention operations.

Global weather engineering operations are a reality. Atmospheric particle testing conducted by GeoengineeringWatch.org has now proven that the lingering, spreading jet aircraft trails, so commonly visible in our skies, are not just condensation as we have officially been told.

Who is [responsible](#) for carrying out these programs?

What will the consequences be if geoengineering / solar radiation management operations are allowed?

THE DIMMING documentary will provide answers to these questions and many more.

This is the most complete GeoengineeringWatch.org documentary regarding climate engineering operations.

Thank you for viewing and for notifying others of The Dimming film release.

All are needed in [the critical battle to wake populations](#) to what is coming, [we must make every day count](#). Share [credible data](#) from a credible source, make your voice heard.
