Global Research, January 17, 2025

Dear readers,

You may have experienced a poor loading performance on our website at www.globalresearch.ca.

This is because Global Research was once again hit by a “Distributed Denial-of-Service” (DDoS) attack that sent massive malicious requests resulting in the disruption of service.

But thanks to our IT security specialist, this has been resolved. You should be able to navigate through our website normally now.

This cyberattack is detrimental to our online presence, largely affecting our readership. In this regard, our ask is that you actively share our posts by utilizing any means at your disposal.

Thank you for your support.

For peace and justice,

The Global Research Team
