

Is Donald Trump Qualified to be President? Emanuel Pastreich

And he never was

Donald Trump is set to be sworn in as president of the United States on January 20th. Although an enormous amount of billionaire money is being pumped into the commercial media, and into the so-called “alternative” media as well, to promote him as a breath of fresh air, as a possible way forward towards reform and change; although a bogus ceasefire in Gaza has been set up by buddy Bibi to make Trump look like a heroic figure, Trump is a trickster and a criminal operative by nature and he loyally serves as the agent of billionaires while demanding absolute loyalty from those who serve him. He is a puppet of the most corrupt organizations in the United States, England, and Israel.

Trump has backed the cover up of the 9.11 terror and the legitimization of the military government that has ruled the United States ever since.

He has accepted the counterfeiting of money by the Federal Reserve on behalf of private banks, private equity, and asset managers—and now he supports digital currencies run by private banks and billionaires intended to swindle the people.

He backed the COVID reign of terror completely, funding full-heartedly Operation Warp Speed run by DARPA to force citizens to accept bioweapons as medication.

He has backed the criminal regime established by the fusion of US and Israeli intelligence to rule the world using low-orbit satellites, AI confusion operations, the dumbing down of citizens, and the use of targeted surveillance and SAP (special access programs) to end democratic opposition to IT tyranny.

These are all state crimes that disqualify him from serving in any office in government whatsoever.

Trump was put in place by a band of IT warlords, starting with Peter Thiel and Elon Musk, who intend to destroy humanity and create an absolute slave society.

And I am not even mentioning Trump’s blatant violations of the Constitution and the law, most clearly the emoluments clause of the Constitution that makes it a crime to accept payments and honors from foreign countries—something that Trump did as policy, forcing foreign leaders to stay at his Trump Hotel in return for access. That policy, **IN AND OF ITSELF** was, and is, grounds for impeachment.

We should not be confused by the fact that the criminal Democratic Party tried repeatedly to

impeach Trump for all the wrong reasons. That was not a mistake. It was the whole plan.

Here are some pictures of Donald Trump having fun with the entire Deep State establishment that his billionaire friends tell us through their bogus "alternative and conspiracy media" that he is fighting against.

Trump is a fake; he is the deep state in drag.

The criminality of the Democrats is not an excuse for installing this criminal. Only an egalitarian revolution can save us now.

Everyone should wear black for the inauguration.
