"There is only one thing better than a Black Friday deal ... and that is a Trump Black Friday Deal"

I got this message directly from Donald Trump who offers his supporters 20% discount on all "Official Trump Merchandise", including T-shirts, hats. It is a real good deal.

Buying a Donald T-shirt will actively contribute to democracy in America.

"Every dollar spent contributes" to "Making America Great" not to mention Donald's reelection in 2020.

Friend,

There's only one thing better than a Black Friday deal...and that's a Trump Black Friday deal.

That's why as a supporter of President Trump, you've earned 20% OFF SITEWIDE using the code THANKFUL.

And remember, every dollar spent helps President Trump's 2020 reelection.

But don't wait, this offer is only available until midnight tonight!

Warning: A part of Trump merchandise is “Made in China” which unfortunately contributes to making “China Great again” at the expense of America. That’s what we might call “collateral damage”.

And Trump is meeting China’s president Xi at the G-20 next week. And you would not want to jeopardize that important encounter by buying a Black Friday discounted Made in China Trump cap.

If you have hesitations on Trump merchandise, might we suggest you:

Global Research operates on a modest budget compared to the Trump family.

We are currently experiencing a mounting monthly deficit in meeting our costs, largely as a result of the ongoing (dirty) campaign against the independent media.

Our best wishes and thanks to all our readers on Black Friday.

PS. Global Research is also committed to Democracy (but without Trump, Pence, Pompeo, Bolton, and yes without Hillary)

Another consideration

Is it legal for the POTUS (president of the United States) Trump to sell Trump merchandise including swimsuits and T-shirts with a view to funding his campaign expenses???
