The Hillary Clinton campaign has a talking point. "Will Power Through".

The Narrative is repeated in chorus.

No analysis of the political consequences of Hillary's pneumonia is put forth. None is required...

Absurdity of the mainstream media. Predetermined catch phrase repeated ad nauseam

"Campaign manager Robby Mook and spokespeople Brian Fallon and Kristina Schake all repeated the talking point ad nauseam in their cable appearances on Monday. The media picked it up as well, with reporters on CNN and MSNBC using the phrase to describe how Hillary Clinton bravely reacted to a pneumonia diagnosis on Friday."
