*Edward Curtin returns to discuss deep politics and what links the assassination of JFK, 9/11, and Covid-19.*

*No president since Kennedy has dared to buck the Military-Industrial-Complex, including Trump, who is part of the same system that produced both Obama and Biden.*

He discusses the 1967 CIA memo which told mainstream media to use the disparaging term “conspiracy theory” to quell all deviation from the official narrative, and how this propaganda technique has continued to function from JFK to 9/11 to Covid-19.

Many of the same actors involved in the MIC and 9/11 continue to be involved with the drug companies, CDC, WEF, WHO, Gates Foundation, and the Rockefeller Foundation. It’s very obvious, but the story is so frightening people don’t want to do any homework.

Too many people think there is this war going on between the right and the left, in the larger frame of reference there is no difference, it’s the warfare state against the regular people, the rich versus the poor.

The 4IR is an effort for total political and economic control of peoples all over the world. He believes the purpose of the vaccine mandate is for political control. Ultimately, we are in a spiritual war.
