

Empowerment Now Means Peace for the Future

By [Global Research News](#)

Global Research, June 15, 2018

It is no easy task to run an independent online media, relentlessly working around the clock with limited resources. Our ultimate objective has been to contribute to promoting “real” anti-war activism, confronting corrupt and criminal politicians in high office, while also contributing to changing the course of history.

Global Research is independent in the true sense of the word. We don’t receive funding from war-makers and “banksters”, therefore our news is free of corporate agendas. This is only possible thanks to our readers who show their commitment to the truth by [sending in donations](#), [creating memberships](#) and purchasing books from our [online store](#) in order to get in-depth information on today’s pressing issues.

To help us in continuing to deliver the “stories behind the stories”, please consider showing your support for Global Research. Empowerment now means peace for the future. We can do this together.
