Reported by KITV Hawaii:

*“Gio Rios and Marissa Castle, from Kaua’i witnessed the shooting in Las Vegas first hand. They said they continued to hear bullets coming and when they dropped to the ground two or three other people landed on their legs and back- the man on Castle’s back was actually dead. It was a traumatizing experience for the couple.”*

Here is the report of KITV Hawaii, which quotes Gio Rios as saying that “there was more than one shooter”. Gio Rios’ statement refutes the official FBI story.
