Today, the [Chair](#) of the Department of Civil and Environmental Engineering at the University of Alaska, Fairbanks – a PhD in structural engineering (**Leroy Hulsey**) – [publicly announced](#) that fire did NOT bring down World Trade Center building 7 on 9/11.

He joins [scores](#) of other structural engineers, civil engineers, high-rise architects, and fire experts who say that the government's story is false ... Building 7 was NOT brought down by fire. **Richard Gage** of Architects and Engineers for 911/ Truth elaborates upon these findings and their implications.
