Noam Chomsky (33:30 point on the video) tells us that in the November 2014 Congressional elections, US voter participation was at the level of 1830 when only white male property owners had the vote.

A September 25 Gallup Poll tells us why: http://www.globalresearch.ca/gallup-60-of-americans-want-a-new-political-party-but-why-a-crisis-of-legitimacy/5478211

These are hopeful signs. They mean that the American people are beginning to see through the propaganda that confines them within The Matrix. A majority now understands that the US government represents a small oligarchy and not the citizens of the United States. Change requires awareness and knowledge of reality, and this awareness is now forming.

Dr. Paul Craig Roberts was Assistant Secretary of the Treasury for Economic Policy and associate editor of the Wall Street Journal.
