Please join us for this incredible opportunity to hear independent journalist **Eva Bartlett** speak about her reporting, politics, mainstream media disinformation, and imperialism. She has reported on the ground from Palestine and Syria, where she has also lived, and most recently from Venezuela. She has received numerous awards for her journalism and has received international recognition. Eva's activism and reporting on imperialism in the Middle East has served as invaluable evidence against some of the most egregious mainstream propaganda in our modern time.

After her speech, there will be a Q&A for further engagement.
