The Telegraph has recently dropped a bombshell that links COVID-19 vaccines to excess deaths.

But the news is not new to Global Research.

We have published [numerous analyses](#) about the notorious COVID-19 mRNA vaccines in the course of the last four years. While the mainstream media blindly deny the fatal effects of the vaccines, Global Research alongside other independent media outlets have been resolutely reporting on their dangers.

This is just among the many crucial subjects that we have been reporting tirelessly to amply educate the masses of the historic crossroads we are at.

Keep your news unchained, give truth a chance. Please donate to Global Research or become a member.
