*The governments of Albania, Armenia, Australia, Austria, Azerbaijan, Belgium, Bosnia-Herzegovina, Bulgaria, Czechia, Denmark, Estonia, Finland, Georgia, Germany, Greece, Hungary, Italy, Latvia, Lithuania, Luxembourg, Mongolia, Netherlands, North Macedonia, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Turkey, Ukraine, UK, and US all still [have troops in Afghanistan](#) and need to remove them. These troops range in number from Slovenia's 6 to the United States' 2,500. Most countries have fewer than 100. Apart from the United States, only Germany has over 1,000. Only five other countries have more than 300.*

Governments that used to have troops in this war but have removed them include New Zealand, France, Jordan, Croatia, Ireland, and Canada.

We plan to deliver a big THANK-YOU to every government that removes all of its troops from Afghanistan, along with the names and comments of every signer of this petition.

We plan to deliver a demand to remove all troops to every government that has not done so, along with the names and comments of every signer of this petition.

The U.S. government is the ring-leader, and the bulk of its killing is done from the air, but — given the deficiency in democracy in the U.S. government, which is now on its third president who promised to end the war but hasn't — it is critical that other governments withdraw their troops. Those troops, present in token numbers, are there to legitimize behavior that could otherwise be recognized as lawless and outrageous. A government lacking the courage to reject U.S. pressure has no business sending *any* number of its residents to kill or risk dying in a U.S./NATO war.

This petition will be signed by people in each nation involved in the war, including the nation of Afghanistan.

Please [sign the petition](#), add comments if you have anything to add, and share with others.

After signing, please use the links on the next page to share on social media, email to friends, and embed on your own websites!

If you want to be part of delivering the petition to a particular government, contact World BEYOND War.

Thanks for all you do for peace!
