

Global Research: A Vital Information Portal. Help Us Stay Afloat

By [Global Research News](#)

Global Research, May 07, 2019

As Global Research navigates the ever-changing algorithms of search engines and social media, we find that not only the reach of our articles has been compromised, but our finances too. Maintaining our projects, websites and operations involves some very real costs, and the fact that we are independent places us in a precarious position.

With this in mind, we turn to you, our readers, to “[help us stay afloat](#)“. We ask that you consider [becoming a member](#) of Global Research (the site draws in approximately 1 million monthly readers yet we have less than 800 members), or alternatively making a [donation](#) to help us cover our costs. We would not exist in our present form without the support of our readers. Your support truly is essential.

Our membership plans are:

Global Research Annual Membership - \$95.00/year
