

Global Research Annual Fundraiser

By [The Global Research Team](#)

Global Research, June 16, 2020

Dear readers,

For the next four weeks we will be asking for your help to reach a fundraising goal of \$20,000. Since September 2001, almost 19 years, GlobalResearch.ca has delivered a daily flow of 20+ insightful news articles & analysis on a wide variety of under-reported issues and unspoken truths, free of charge. We want what we publish to be accessible to as many people as possible all over the world and promise to never place a paywall between you and our content. However, we can only do this for as long as those readers who can afford to, pitch in to help us meet our running costs.

The money we raise will be put into the further development and improvement of the Global Research website as well as that of [Asia-PacificResearch.com](#), our [French language website](#), our [Spanish language website](#), and a recently established [Chinese language page](#). We also wish to raise funds in order to expand our [GRTV](#) video productions and the [Global Research News Hour](#) radio broadcast & podcast.

In supporting us, then, you are also supporting the distribution of important information made freely available and accessible to the general public.
