

Global Research Donation Drive: How Twitter Censors the Truth

By [The Global Research Team](#)

Global Research, February 17, 2023

As many of you may know, Global Research has been the object of censorship for our objective reporting and fearless truth-telling. Despite so, we have managed to get through but it has taken a toll on our online presence and engagement which impacts on our readership.

While [our account](#) is up and running on Twitter, it has come to our attention that the Twitter Management has attached a warning advisory on all links redirecting to our website. You know that this is a bold effort to censor the truth. We need your help in contacting them to correct this misidentification and remove this damaging advisory.

Warning: this link may be unsafe
