The Global Research Solidarity Fund

The Center for Research on Globalization (CRG) needs your support to continue its tireless efforts in promoting and distributing alternative news and in-depth research on important international issues.

The CRG **does not take money from private or public foundations in order to maintain intellectual independence and honesty.**

Without the support of readers, the CRG cannot maintain its operations or provide you with a venue for alternative, independent news.

If you use Global Research for news, alternative views, or as an academic source, please make a **donation of your choice today so we can continue providing you with truly independent news and research.**

Without your support, Global Research would not exist.

Thank you for supporting us,

Michel Chossudovsky
