Global Research, December 02, 2019

Dear Readers,

In late October we sent you a message asking for your help in raising \$25,000 before the year ends. Our goal with this being simply to cover the costs we incur in bringing you investigative reports and analysis from all over the globe, 7 days a week, for free.

So far we have raised a little over \$8000. We wish to sincerely thank those who have made contributions, you are the life force of the website. As we enter the final month of 2019, however, we will need a big push from our readers if we are to meet our target and secure the future of Global Research.

We ask you to consider what other website offers you such a diverse overview of topics so fundamentally important to us all, yet so little discussed elsewhere. Please help us continue with our work by making a donation or taking out a membership today. Your support can truly make the difference.
