

Global Research: From Strength to Strength...With Your Help!

By [The Global Research Team](#)

Global Research, February 05, 2019

Dear Readers,

We thank all those who contributed to our fundraising campaign during the first month of 2019. As we enter February, we are pleased to note a slight increase in readership over the past month. Though we still run a monthly deficit, the responses to our requests for donations and the increase in readership are good signs that we are on the right track to eventually remedying the situation.

However, the reality for now is that we do not cover the monthly costs associated with the running of the website. With your help we can change that. If you value the largely exclusive content we bring you on a daily basis, free of charge, please give generously so that we can ensure that this news resource goes from strength to strength in 2019 and beyond!
